

Unicode Numbers for the Meinrad Font

To insert a sign of the Meinrad font, type the three digit number of the sign, then a fourth number for its place on the staff. Then type Alt+x (that is, while holding down the Alt-key, type the letter "x." You may need to add a space before the four digits.

The positions on the staff correspond to the number below:

For a quilisma in middle space, type EA9 for the shape, then 5 for the middle space, then Alt+x:
